Human
Resources

Education
Resources

Student
Support
Resources

Library and
Information
Resources

Financial
Resources

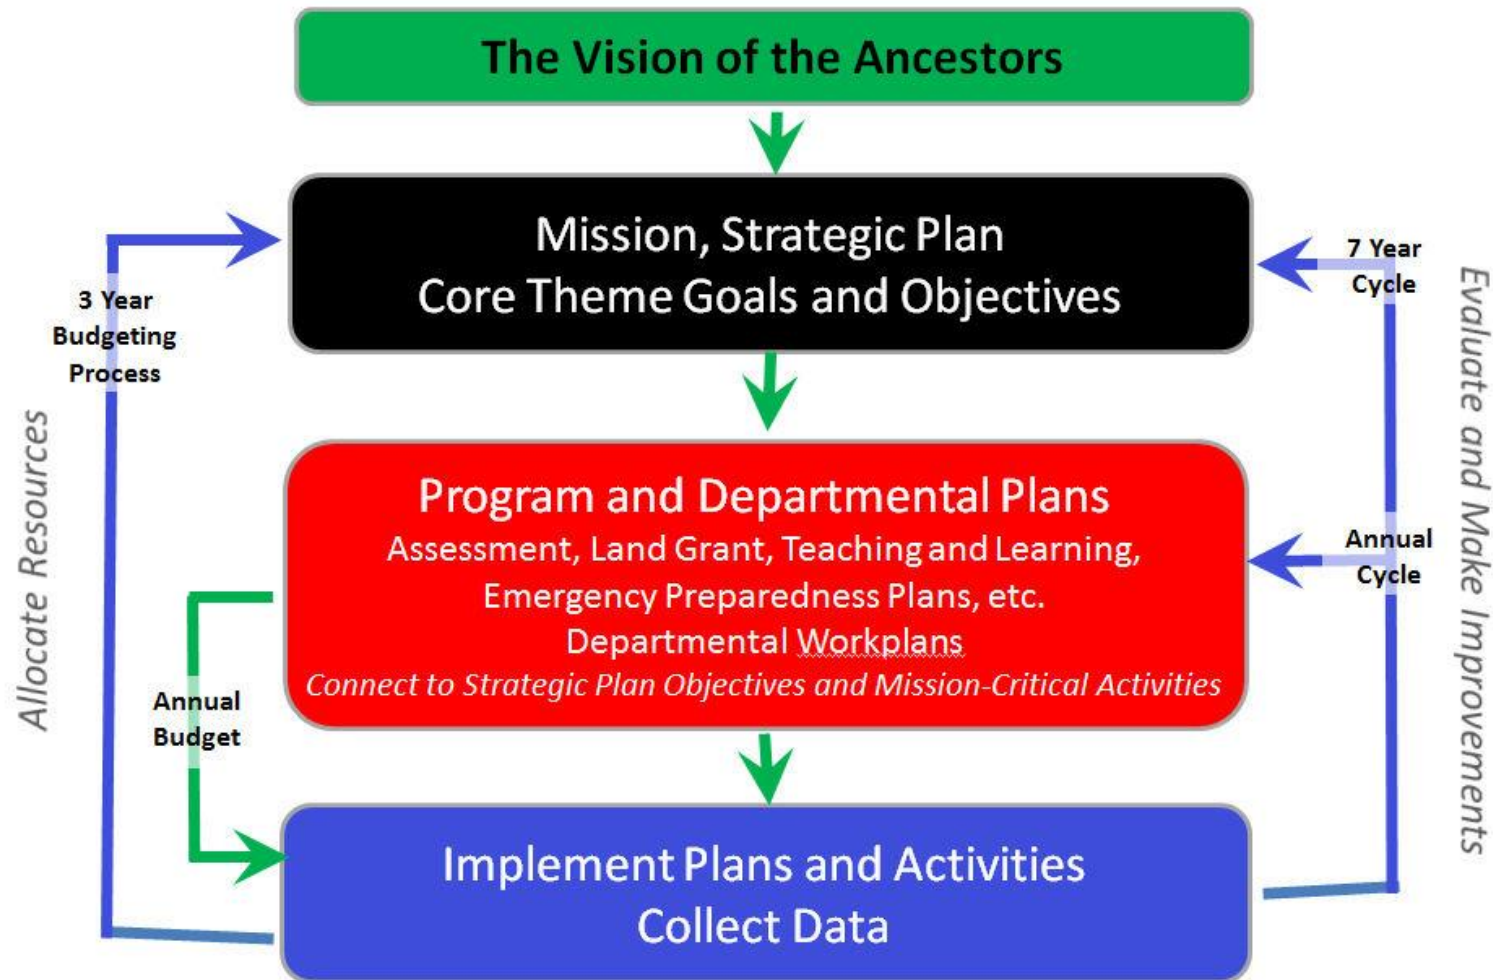

Physical and
Technological
Infrastructure

Standard 3

Planning and Implementation

Planning provides direction for the institution, leads to achievement of the outcomes of programs and services, accomplishment of core themes, and fulfillment of the mission

NWIC COMPREHENSIVE PLANNING PROCESS

Standard 4

Effectiveness and Improvement

- Collect and analyze data using direct and indirect indicators of achievement
- Formulate evidence-based evaluations of core theme objectives
- Integrate results into institutional planning
- Allocate resources toward core theme objective achievement
- Disseminate assessment results
- Use results for improvement.

Standard 5

Mission Fulfillment, Sustainability, and Adaptation

Mission Fulfillment

- Perform evidence-based assessment of accomplishments
- Make determination of effectiveness and mission-fulfillment
- Communicate results

Sustainability and Adaptation

- Evaluate and document capacity for ongoing mission fulfillment and operations
- Evaluate and document processes for planning and continuous improvement and implement results
- Perform SWOT analysis (Strengths, Weaknesses, Opportunities, and Threats)
- Use as input to a new strategic plan
