Vice President for Instruction and Student Services

Date

Associate of Arts and Science in Native Oksale Education

This program of study provides core education courses in the context of a Native American Studies curriculum for students interested in pursuing teaching careers. The Native Oksale* Education program is a direct transfer degree designed for students who are interested in teaching at the K-8 level. The program is a direct transfer degree designed for students who may be interested in a baccalaureate degree at Northwest Indian College or another four-year college or university. Students should consult with their advisor to ensure that courses selected meet the requirements of the four-year program they intend to pursue.
