

PROGRAM CANCELLATION FORM

Program Title: Hospitality Management

Program Type: ___ AAS ___ AAS-T ___ AS ___ ATA X Certificate ___ Other

Rationale for Cancellation of Program: This program has had very low enrollment and is no longer considered viable by the TGBM department. The program prioritization report for this program supports these findings.

This program historically has had low or no enrollment. Over the past ten years the certificate program has averaged 1 certificate recipient every 2 years. A large majority of the courses required for the program have not been implemented in the past 5 years and it has been recommended that they be deactivated. There are no resources or faculty dedicated to this certificate program while the certificate generates very minimal revenues.
