IS THIS A DEACTIVATION OR REMOVAL FROM THE CATALOG? (check only one)

Deactivate course (Note: Deactivation removes the course from the catalog also.)

Date to deactivate: _____

Leave the course active but remove it from the published NWIC catalog

Rationale: These three courses have been recommended for removal from the physical catalog but remain active by the NSL department chair based upon the course review process in preparation of the 2015-2017 catalog. These courses were required for programs of study prior to the inclusion of the NWIC Foundational Requirements for all programs of study. They are no longer required for all current programs of study but need to remain active as students with continuous enrollment complete older versions of programs of study that required these courses.

Check if this course is required for any NWIC program(s)
