**Featuring the *premier* of Darren Kipp's upcoming video
documentary on the life of Vine!**

The purpose of this symposium is to bring together Native and non-native scholars and tribal elders who are interested in honoring the life and work of our friend, colleague, and mentor, Vine Deloria, Jr., and in presenting new ideas and expanding knowledge in several key areas that Vine devoted his life to. The symposium this year will be open to all topics: religion, spirituality and philosophy, history, law and policy, and critiques of science and education. The symposium itself will be organized as a series of *intellectually driven* panels – no “workshop” type presentations – and specially invited speakers addressing these issues. Individual presentations may be formal or informal, but in keeping with the spirit of Vine, *there will be no PowerPoint or other electronic presentations.*

Registration fee - \$100 (includes lunches and salmon dinner)
