# NWIC STRATEGIC PLANNING GUIDING PRINCIPLES

- **Community minded-** the vision of the elders and ancestors will guide our process.
- **Student success focused-** in all we do, the student is at the center. This comes through the continued work to fulfill our mission, “Through education, NWIC promotes indigenous self-determination and knowledge.”
- **Sustainable-** the strategic planning process will be used to continually improve and enhance our institution.
- **Engaging-** the process will actively inform and collaborate with constituents in implementation and completion of the strategic plan.
- **Data informed-** we will embrace a culture of evidence that assures strategic planning is informed and assessed using relevant data.
